Fine particle filters Dahle 20710

Shredding the convenient way, all without the time-consuming process of oiling the cutters

Innovative MHP technology® shreds up to 30 % more paper

Practical swivel casters for flexible use

Separate main switch is located on the rear of the document shredder and completely disconnects it from the mains power supply

Detachable IEC power plug makes the document shredder quick and easy to move from A to B

Separate, integrated waste boxes help to sort shredded paper, CDs, DVDs, cheque and credit cards for eco-friendly recycling

Separate feed opening for CDs, DVDs, cheque and credit cards guarantees reliable shredding of optical, magnetic and/or electronic data carriers

P-4 security: recommended, for example, for data media containing particularly sensitive, confidential and personal data
